Hello, I'm Aoyama Risa.
Thank you for reading 'Aibu de Jirashite'!

This will be my tenth book since the release of S Girl. You won't be able to find my early books anywhere except at second hand bookstores (laugh).

To tell the truth, I never thought I would make it this far. I surprised even myself here a bit.

This time, there are comics that I drew from different times mixed in here, I think you'll find the slight differences in my drawings quite interesting. I can't redo it, so I'm sorry but you'll have to bear with it as is...

I don't know what will come next, but I think I'll devote myself to releasing book number eleven. I'll be counting on you.
